

## Disciple-Making Blueprint<sup>©</sup>

A Proven Step-by-Step Process for Helping Good Men  
Become Great Men, God's Way!  
by Dr. Joe Martin - [www.RealMenConnect.com](http://www.RealMenConnect.com)

### Step 1: Meet a Man:

1. **PICK** three (3) men (*pray about it*) – download a detailed description of the **Me & 3 Brothers' Keepers Model** <http://realmenconnect.com/real-men-resources/>
2. **STICK** with three (3) men (*keep in contact with them, pray for them, share resources with them, congratulate them, thank them, etc.*)
3. **INVITE** a man to any social activity (*depending on his level of comfort and risk*)
  - **1<sup>st</sup> Level Invite:** public meeting (lunch/coffee), event/outing (*ex. ball game, car show, bowling, trade show – anything/any place where there are other people around*).
  - **2<sup>nd</sup> Level Invite:** personal event (yours or theirs) (*ex. dinner/cookout at your home, watch ballgame at your house, helping them move, build/repair something, yard work, etc.*)
  - **3<sup>rd</sup> Level Invite:** group event (*ex. league softball or basketball team/other group sport, dads and daughters' event, father and sons' event, group seminar/workshop, etc.*)
  - **4<sup>th</sup> Level Invite:** ministry event (*ex. church service, bible study, men's group meeting/challenge, men's retreat, men's breakfast, prayer group, etc.*)
  - **5<sup>th</sup> Level Invite:** mission event (*ex. mission trip, serving/feeding the homeless, prison ministry, disaster relief project, community evangelism, etc.*)

### Step 2: Measure Your Men:

1. **IDENTIFY** a man/men who's hungry (*to grow spiritually*), humble (*to learn more about being a godly man*), and honest (*willing to share his struggles*) – ask God to help you identify him/them (*4 or 5 men*).
2. **APPROACH** him/them about possibly joining a weekly Every Man a Warrior (*or other type of discipleship group*) with you, and ask him to WATCH these three videos to help him decide:
  - Intro: <http://tinyurl.com/emawintro>
  - Video #1: <http://tinyurl.com/emawvideo1>
  - Video #2: <http://tinyurl.com/emawvideo2>
3. **FOLLOW UP** with him/them to see if he's interested and the best day (*weekend or weekday*) and time (*am/pm*) for him to meet.

### Step 3: Make a Disciple:

1. **CONFIRM** the 4 (*you and 3 others*) who've agreed to start an EMAW (*or similar*) discipleship group.
  - You (leader): create a group text list, so you can keep in contact with your group
  - You (leader): send them the link to buy the kit (or give them one) – <http://tinyurl.com/everymanawarrior>
  - You (leader): request their email addresses, so you can keep in contact with your group
  - You (leader): secure a place and time to meet weekly (*i.e., Starbucks @ 6:30 a.m. on Sat.*)
  - You (leader): facilitate the first 9 lessons in Book 1 – using the Leadership Guide.
  - You (leader): get the group plugged into [RealMenConnect.com](http://RealMenConnect.com) (*ministry website*) and [RealMenUniversity.com](http://RealMenUniversity.com) - (*a closed Facebook group for Christian men*) - as a resource for training, learning, growing, support, accountability, information, and community.
  - You (leader): be faithful by completing all the assignments and leading by example
  - You (leader): after you complete Book 1 of EMAW, allow another group member to facilitate the group until each guy has had a turn to lead (*you no longer lead the group, just participate*).
2. **ENCOURAGE** him/them (*after you complete Book 2 of EMAW*) to start praying and being intentional about identifying at least three other (3) men to start a new group and GIVE your group member a copy of this sheet: **The Real Men Connect Disciple-Making Blueprint** - <http://realmenconnect.com/real-men-resources/>
